TYPICAL FEES FOR NEW WATER INSTALLATION WATER DISTRICT #7

1. APPLICATION FEE	3/4" \$50.00
2. METER	\$175.00
3. METER SETTER INC. VALVE	\$175.00

TOTAL COST FOR MATERIAL SUPPLIED BY TOWN CUSTOMER OWES \$400.00 – 3/4inch

- **Meter pit installation will cost \$650.00, INSTALLED BY CUSTOMER (includes everything above) – Drainage required on all Meter Pits.** Contact the Water Department to see if a meter pit is required for your service. Meter Pits will be required if resident do not have a basement. After the meter pit the use or copper or equivalent of PEX Water Service Tubing with tracing wire on tubing lines must be used.
- Additional costs for excavation, copper from house to curb, valve inside of house, tie inn's etc. are the homeowner's responsibilities.
- The Town of Portland **requires** the use of Watts's pressure valve 25AUB or equivalent; due to the high pressure in Water District. **(80 PSI or over – required by law) THIS IS THE OWNERS RESPONSIBLY.**
- The Town of Portland strongly recommends brass or nylon fittings after the meter connections.
- Contact Water Department if resident is interested in a one inch water line for pricing.

By signing your water application form you are agreeing to all the above terms.
